

## **Data Protection Policy**

**GDPR Dated :- May 25th, 2018**

The Club has a legitimate interest in acquiring, processing and holding data about players and parents.

- Players: name, home address, gender, date of birth, nationality and home address
- Parents: name, home address, email and telephone numbers.

The Club will use this information strictly for club matters, The Club will not share data about players and parents with other bodies, except as may be required for the proper functioning of the Club (for example, data about players may be shared with Basketball Ireland and any leagues or bodies of which the Club is a member. Please note that, by payment of subs, you grant permission for Navan Cougars Basketball Club to share your data, as required, with Basketball Ireland and any leagues with which the Club is affiliated.

**Data will be held for 12 months minimum, if a member does not return the following season or transfers to another club, all Data will be destroyed. If a member transfers to another club we will not transfer his/her data, the club requesting the transfer must gather their own information.**

Data about coaches may be used for the purposes of Garda Vetting, Safeguarding and related processes.

Parents are requested to notify the committee if their child decides to leave the Club, whereon relevant data will be deleted unless retention is required under applicable laws or regulations.
